

puzzlethon™

**A Unique
Fundraiser
Created
Especially to
Benefit the
Connecticut
Autism
Community**

www.asconn.org

**All proceeds
from
Puzzlethon™
will support
family and
education
programs of
ASCONN**

One of the most exciting components of this fundraising activity is the opportunity to build life skills in participants of all ages and abilities. Puzzlethon not only provides a safe environment to encourage social relationships with peers of all abilities on the day of the event, but by offering a face-to-face fundraising experience, interpersonal communication and social skills can be practiced appropriately, in repetition, and with the general public.

With this in mind, we offer a script outline below that has been used successfully by all levels of participants. Please feel free to modify this template as is necessary to compliment your needs:

- 1) Please support me in fundraising for Puzzlethon – an event sponsored by ASCONN.
- 2) Fill in your name as a supporter of me (or my “Team”) and the amount you would like to donate.
- 3) You can give me the money now, or I will collect it later. Checks can be made out to “ASCONN”.
- 4) I can continue to take donations for this event through April 30th – April is Autism Awareness Month!
- 5) Credit card donations can be made on-line through puzzlethon.org or asconn.org
- 6) Thank you for your donation and supporting me!

All proceeds will benefit family and education programs of ASCONN. Please visit www.asconn.org, or call ASCONN at 888.453.4975 with any questions.
